Recite Takbir al-Tashreeq (9-13th):

"اللَّهُ أَكْبَرُ اللَّهُ أَكْبَرُ لَا إِلَهَ إِلَّا اللَّهُ وَأَلَّهُ أَكْبَرُ اللَّهُ أَكْبَرُ وَلِلَّهِ الحَمْد"

It is sunnah to perform ghusl (shower) on the Day of Arafah.

Spend time in reading the Quran, doing Zikr and Selawat, reciting Talbiyah and offering supplications.

Combine the Zuhr and Asr prayer in Qasr.
At Muzdalifah, you will stay overnight under the night sky. There are no tents or other accommodation facilities here.

Spend your time here in Ibadah, or get some rest in preparation for the journey to Jamrah Aqabah.

You need to collect at least 7 pebbles to perform Raml (stoning). However it is advisable to take more than that.

MUZDALIFAH TO AQABAH
On the 10th of Zulhijjah, only Jamarah al-Aqaba (the big pillar) will be pelted.

A total of 7 pebbles must be thrown into the pot around the Jamrah.

Reciting Takbir (الله أكبر) with each throw.

It is not obligatory for those performing Hajj Ifrad, but it is certainly recommended.

You don’t have to be physically present at the slaughterhouse to supervise the sacrifice.

Once the Hady has been carried out, you should be notified at which point you can have your Tahallul Awal.

Once the hair has been cut, all restrictions of Ihram will be lifted with the exception of marital relations between husband and wife.
